Founder's Message

All the fields have to embrace change owing to the growing face of education. We believe that we are the people who provide opportunities to children to explore their talent and push them to their full potential. In our school we try to give quality education. We give exposure to children's creativity and provide equal opportunities to every child. Our education is based on an amalgamation of 'Indian Culture' and 'American Technology', We are aware that these students are our country's future builders and leaders. It is our aim to make them responsible, strong, wise and caring global citizens.

Principal

I take this opportunity to welcome you and your child back to JIS for the next Academic year. I would like to extend a special welcome to those who are new to our school. The coming year will be filled with a lot of challenges and exciting opportunities for you as parents, we as teachers and students.

The main objective of the school is to impart knowledge to students in such a way that it will help each one to become a good citizen of this country. We are a caring community where traditional and modern educational values are respected and students are given priority.

The management and staff believe that every child is special and has an inborn ability to learn. The unique, innovative approach and an unmatched infrastructure help students reach their fullest academic, physical, cultural, social and artistic potential. The school provides experienced manpower so as to face future challenges with confidence and enthusiasm.

Our free play, music, art and other activities, materials are designed to develop the full range of motor skills and scientific learning.

I would like to thank the JIS Management for providing us with all these facilities and infrastructure. I strongly believe that the students of JIS will shine with flying colours with such a diligent workforce to back them up.

In June 2015
A Unit of LUTJF
was founded to impart quality
education to the students.
It is affiliated to the
CBSE board
and situated at Narhe, Pune.
We provide value based
quality education
to develop all creative aspects
of a scholar's personality.

Teachers -
"Teachers can change lives with just the right mix of chalk and challenges"
- Joyce Meyer.

We have well-trained qualified teachers who get the students involved in each of their activities.
Every teacher knows that they are preparing good citizens of India.
The teachers cultivate the young minds with stress free learning and an amicable atmosphere.

- Well-stocked library with 2500 books
- Well-equipped laboratories for Science, Computers as well as English language
- School has hired special coaches to guide the students in various indoor and outdoor games.

Mission

- To encourage students to draw inspiration from their ethics and culture and broaden their horizons to embrace a world view
- To teach students the important values of life like honesty, humility and humanity
- To dream big and strive to achieve their highest potential
- To have underprivileged children along with privileged children, through such efforts we will contribute to develop our rural communities.

Our vision

Our statement
'Education for Strength Intellect & Wisdom',
to educate all students to the highest levels of academic achievement to enable them to reach & expand their potential & to prepare them to become productive, responsible, ethical, creative & compassionate members of society.

Activities

- Tab Education
- ABACUS to grow with mental Maths
- Khan Academy Techniques to make first learning
- Meditation
- Robotics

Objective

The objective of our school is to assist the students in unfolding their talent and help them grow to the highest possible level in as many fields as possible for each individual.
We strongly believe that teachers, curriculum, infrastructure, curricular, co-curricular activities & facilities are the basic components required to create good citizens of this country.

Curriculum

Subjects range from Maths, Science and Social Science to Computers and Environmental Studies. Languages like English, Hindi, Marathi, German and Japanese are taught. Physical education is also given preference. The language of instruction is English.
At UTJF, we try to maintain balance between curricular and co-curricular activities.
